Enbright Credit Union Unveils Cancer Care Debt Relief Program

Nashville, TN, January 6th, 2025 — Enbright Credit Union is proud to announce the launch of its **Cancer Care Debt Relief Program**, a groundbreaking initiative aimed at supporting members facing the financial challenges that come with cancer treatment and recovery.

This program provides relief on existing loans for 6 to 18 months, offering members a chance to focus on healing without the added stress of financial burdens. By suspending payments and reducing interest rates to 0%, the Cancer Care Debt Relief Program ensures members have the breathing room they need during their journey.

“Cancer doesn’t just impact health; it devastates families financially,” said Ron Smith, President and CEO. “At Enbright, we’re committed to being there for our members when they need us the most.”

Program Benefits

- **Loan Payment Relief:** Members can pause payments and interest on secured and unsecured loans for up to 12 months based on their treatment and recovery needs.
- **Tailored Solutions:** A zero-interest Cancer Care Loan offers additional flexibility to support ongoing recovery.
- **Personalized Support:** Members work closely with dedicated Cancer Care Specialists and Member Experience Advisors to navigate their financial challenges.

Making a Difference

With cancer affecting half of all Americans at some point in their lives, and treatment costs averaging over \$150,000, Enbright Credit Union is taking a stand against the financial devastation that often accompanies a diagnosis. This program is part of a broader mission to help members thrive, even in the face of life’s toughest battles.

Enbright Credit Union is the **FOURTH** financial institution in the world to develop and offer such a program to its’ members.
